CLIENT

Founded in 1995, the client is an American weekly magazine and news website based out of California. Their magazine has a readership of over 2 million.

CHALLENGES

- Over the course of three weeks, Lake B2B had to create a new content experience that would engage different types of attendees for the virtual event in terms of age, gender and geographies
- Along with creating unique content, Lake B2B also had to convince the sponsors of the client to not only join them in building this unique experience for attendees event but also provide meaningful value
- Additionally, the client was looking for an event solution that was full-proof to manage in-person, virtual and hybrid events

RESULTS

- **Wider audience reach internationally to people in almost 75 countries**
- **67% increase in average view time as compared to the previous years event**
- **5X more leads on average for virtual sponsors**
- **75% Mobile app engagement by mobile users**
